2ND INTERNATIONAL HEALTH & WEALTH CONFERENCE OCTOBER 28-30, 2018 – PENANG ISLAND / MALAYSIA

Health meets Wealth in Penang

to debate one of the **world's most prosperous** and developing **cross-section markets** of modern society. The **2nd International Health & Wealth Conference (IHW 2018)** is **unique** – a **networking** event, which gathers the world's leading industry professionals to share **market intelligence** and **thought leadership**.

International experts from 5 continents discuss future strategies, case studies and influencing factors. **Industries, science** and **governance** get connected to important Health & Wealth affected sectors. A rare opportunity to discuss Health and Wealth in the **right context**, at the **right place** ... Penang !

IHW connects communities

IHW is interdisciplinary

IHW is independent

IHW is global

And IHW is dynamic.

Panel and **Breakout** Sessions of the 2nd IHW Conference, as well as **Symposia** and **Workshops** will be set up according to a pre-selected frame of relevant topics, and experts can apply *online* from every part of the world.

IHW feels the pulse of the time, and provides easy access to state-of-the-art-topics.

Global, Asian and **Malaysian** topics will be on schedule, and **Penang** will present itself as an upcoming Smart City, where Health & Wealth is setting a **sustainable** landmark.

Stay tuned and check the most recent development on www.ihw-conference.com

"I welcome this conference, I think it is really important that it develops further - and many more people can benefit from coming together with colleagues from different professional backgrounds and interests"
(Prof. Norma Reynes, UK, about IHW 2015)
